Interactive Session on Outcomes
May 20, 2:00-3:15 PM

Guidelines for this session:

• Participants will divide into small groups (one per LTRA) to discuss/summarize their responses to each of the three questions (20 minutes).

• Then, one representative of each group will report back to the full group and receive feedback and comments from the other groups (5-6 minutes for each group).

• The lists produced will be summarized and included in the summary of this SANREM Annual Meeting.

Key Question: What are the consequences of outputs?

How would you add value to the outcomes of your work?

Specifically, as a group please answer these:

• What are the best strategies to promote the outputs of your projects so that they meet development outcomes?
• What needs to happen so outcomes are adopted?
• With what organizations would you collaborate in the transfer of these outputs?
